Accountability Plan Support Group Workshop November 10, 9:00AM 12:00PM

The October 2010 release of the updated Guidelines for Writing Accountability Plans will make this meeting relevant to both new and experienced schools. This workshop is the beginning of the facilitated support group for writing your Accountability Plan. Alison Bagg, the Charter School Office's Acting Coordinator of Accountability, will join us for the first hour only to answer questions that you may have to complete your rough drafts by January 3, 2010. MCCPSE will facilitate the rest of the workshop wherein participants will review sample accountability plans, work collaboratively to develop strategies for specific sections of the accountability plan, and have a candid discussion of charter school issues as they relate to the Common School Performance Criteria (revised in August 2010) and accountability plans. Participants will receive an orientation to the wiki tool for the Accountability Plan Support Group.

Charter School Leadership Summit November 17

This will be a full-day Summit for Heads of School, Board Members, Development Staff, Business Managers, Principals, and other school leaders. Participants will learn from experts in the field and experienced practitioners.
